MATTAPOISETT PRE-TOWN MEETING

At a special meeting of the Mattapoisett Improvement Association Executive Committee it was decided to arrange a Pre-Town Meeting for discussion of Warrant Articles. It will be held Thursday, March 3rd, at 8:00 P.M. at the Town Hall. The Finance Committee has kindly agreed to present Articles with which they have been principally concerned, and Article sponsors will present their cases, before general discussion.

Good attendance is urged, so that at Town Meeting on March 7 voting can be well informed, and the meeting reasonable in length.

CUB SCOUT COMMITTEE MEETING

Rochester Pack 30 Cub Scout Committee was host to over 100 persons affiliated with Cub Scouting at the meeting room of the Fire Station. This meeting honored the 50th year in scouting and present was Joseph Boehler, North District Commissioner of Cachalot Council. Representatives of scouting were represented from the towns of New Bedford, Fairhaven, Acushnet, Marion, Wareham, Onset and Rochester.

Highlight in the evening's program was a replica of a cake carrying out the Cub Scout colors, blue and gold, with 50th anniversary written across the cake. Bursting through the cake to open the program was Cub Scout Greenwood Hartley, 3d, who received a round of applause. Featured next was old time square dancing showing how youngsters 50 years ago entertained themselves. Taking part were Cub Scouts Wayne Lawrence, Clifford Hedges, Peter Balzarini, Robert Lawrence, Donald Lynch, William Hartley, Gary MacNeill

and Allan Ross. Dressed as girls were Wayne, Robert, William and Allen. Caller for the square dancing was Calvin Daggett and his guitar.

Boy Scout Raymond Daggett, the first boy to complete Cub Scouts, earn his Webelos badge and enter scouting since Pack 30 was organized three years ago, gave a history on the scout movement.

Causing a great deal of laughter was an Uncle Ef record that was played telling of the trials and tribulations of owning and driving a car 50 years ago. People at that period preferred horse and buggy. Portraying scouting in its infancy 50 years ago was Cub Scout Edward Saunders dressed appropriately, and Cub Scout Joseph Thompson with a replica of bar bells showed the strength of scouting is now 31 million.

Mr. Boehler, in speaking, said how gratifying it was to see such a large turnout and praised the work being done by those in Cub Scouting

and Boy Scouts. He presented cards to the following persons who had completed Cub Scout training course: Donald Gurney, Miriam Gurney, Hugh McKenna, Clayton Coleman, Florence Coleman, Annette Hawks, Helen Orlowski and Gloria Bernier.

Mr. Boehler requested all present to send a card to John Steele, Room 101, Rogers unit, St. Luke's Hosptial, New Bedford, who is confined there with a heart condition. Mr. Boehler noted Mr. Steele's many devoted years to scouting and noted that a card with the persons name whether they knew him or not, with a designation in what part they have in scouting would be "good medicine" for Mr. Steele.

Mr. Boehler called the audience's attention to the articles on display and made by Cub Scouts in Rochester Pack 30. Displayed were tie racks, towel racks, desk set, planter, kaleidoscope and painted pine cones set in styrofoam.

Cubmaster Nathan Lawrence led the salute to the flag and thanked all for making the meeting a huge success. Introduced were Edwin Ross, institutional representative; Joseph Pare, neighborhood commissioner; Daniel L. Hartley and Irving Ellis, Cub Scout committeemen, and Joseph A. Chamberlain, assistant Cubmaster.

At the conclusion of the program refreshments of egg and tuna salad rolls, assorted cupcakes and squares with coffee were served buffet style. In charge of the refreshments were the Den Mothers of Pack 30, Mrs. Harvey MacNeill, Mrs. Peter Balzarini, Mrs. Alfred Maccarone, Mrs. Eliott Saunders, Mrs. Calvin R. Daggett, Mrs. Irving Ellis and Mrs. Nathan Lawrence.

TO ALL MATTAPOISETT VOTERS
WARRANT ARTICLE 38 ON LOT SIZE
AND TRAILER USAGE--

Your Planning Board and Improvement Association Executive Board feel strongly that for the benefit of the Town as a whole that Zoning is needed. Your Selectmen established a Zoning committee last year. The Article in the Warrant was inserted by the Planning Board as a first logical step, and it is a good measure, not affecting any existing lots now or in the future in any way. However, due to a quirk in the Law it cannot be legally voted at the Town Meeting on March 7.

It is strongly to be hoped that the Planning Board with its newly elected members, or a new Zoning Board, will present to the Town a more complete set of Zoning laws than the Article in the current Warrant. This will take some time but be worth the effort. Such laws can:

1. Avoid blighted areas in which residences, industry and business are mixed in hodge-podge fashion.

2. Establish higher land values, as the result of such planning becomes evident to prospective real estate purchasers.

3. Preserve the settled part of the Town with its present charm.

These objectives cannot be reached overnight, but a start must be made again. Laws proposed in the past have been defeated for various reasons, but a set of Zoning Laws which will do no harm to any owners definitely can be formulated. When they have been, let's back them, so that Mattapoisett can expand logically, and profitably for all.
